Ladies & Gentlemen:

On 11/7/96 I copied each of you on FSC 192A. It stated that you needed to fax the 1997 Enrollment Form to MSA.

The following accounts have NOT had enrollment forms faxed to MSA yet:

Kingston Candy
Donohue
Scheidelman
Keyco

All other accounts not listed (North Country, Gray's, Finkle, Day & Oneida), MSA has received the 1997 Enrollment Forms.

It is your responsibility to ensure these forms are faxed to MSA. If not received, the accounts will not be on 1997 Partners. As I will be leaving, no one at the ROU will be reminding you to send these faxes.

Please insure that the above is handled.

Any questions, please contact me.
